“ My sympathy to each of you. Your parents were a very quiet pair in this neighborhood with a place that always looked so pretty. I used to enjoy the days when your mother and I crossed paths on morning walks and would catch our breath and catch up on little nothings! Enjoy your best memories. Ruth Bass

“ Don, Dan, Debbie and Denise,
Sorry to hear of your dad's passing. I had spoken with him before this pandemic started. He was going to look to see if he still had a box of my mom's pics and I was supposed to go visit. But then the pandemic. I wish I had still gone. I was always surprised how he and my mom never stayed close being the only two siblings. Hoping your memories bring you comfort.
