

Mr. James "Buck" Fabino

February 20, 1944 - July 12, 2020

James "Buck" Fabino, 76, of Pittsfield, peacefully passed away Sunday, July 12, 2020, with his loving family by his side. Born in Pittsfield, MA, on February 20, 1944, the son of the late Angelo and Elizabeth Spence Fabino, he attended local schools.

James was a Vietnam War veteran. He enlisted in the United States Marine Corp in 1961, upon graduation, where he proudly served his country until 1965. Oorah!

After his time in the military, he worked as a self-employed Dry Wall Contractor who was known by many and loved by all.

James had many great hobbies that he shared with his family and Goombahs. One of his greatest passions was hunting which he shared with his brother Joey and son Mark. Not only did James enjoy hunting, but he also had a knack for it. He got his nickname "The Buck" for his great skills and many trophies. Late in life, his most enjoyable and memorable moments were making wine with his crew and watching his grandchildren's sporting events. If anyone knew Jimmy, they could find him on his front porch with his cigar and a glass of wine.

James leaves behind the love of his life, his beloved wife of 52 years, the former Marcia Chiorgno, whom he married February 3, 1968. She was his Edith to her Archie. He leaves his son, Mark, daughter, Alisa (David) as well as his brother, Joseph (Ellen), and sister-in-law Joanne Haddad (George). James is also survived by five beautiful grandchildren, Elizabeth, Anthony and Isabella Fabino, and Hunter and Mia Potash, as well as several nieces, nephews, and many dear friends.

He was known for his quick wit and great sense of humor. To know Jimmy was to love him and, with that being said, he leaves you all with one final adieu-- BUCK IN A BOX!

Jimmy's family would like to personally extend their sincere gratitude to many doctors at the V.A., as well as a special thank you to Dr. Deleo, Dr. Kusick, Dr. Ringler, Dr. Yella and Dr. Hafez Alsmann for their exceptional care and compassion for James throughout this difficult time.

“ Dear Marcia and family, I was saddened to hear of Jimmy's passing. I occasionally got to play golf with him on Monday afternoons. He had such an obvious sense of humor and sometimes, not so obvious. I remember he would say something to me, which I would just acknowledge without comment. Maybe a couple hundred yards down the fairway, I would break into a loud laugh and he would grin hugely and shout to me: "Hey Dude you just figured that out, didn't you? LOL.

“ With all being said and everyone in agreement about Jimmy's amazing sense of humor. Lest we not forget if along came a woman you were lucky if you could count backwards from 3 before a semi-inappropriate yet absolutely HARMLESS remark was made out of "adoration" for the ladies! To him always Marcia the most beautiful of all, his devoted wife who was a great sport and rolled with the punches. I'll simply sign as only his darling daughter and partner in crime brother Joe would know me as, with my deeply saddened heart felt condolences to his entire family and friends.

“ Condolences to the Fabino family on Jimmy's passing. I worked with Jim many years ago on a number of local construction jobs. I put drywall on and he made it look good. He was always well respected and very well liked throughout the various trades. I'm sure that is no surprise to you. He was always a fun guy to be around and a pleasure to work with. Hope you draw some comfort from the vast number of people who liked and respected Jimmy.

“ Marcia and Family,
I am so sorry to learn of Jimmy's passing. He was such a good friend and mentor to me when I was in my teens. He went out of his way to take me hunting and fishing and we had some great discussions on navigating the complexities of life. Additionally, he always thought of me when an odd job surfaced. His kindness and support were clearly evident by taking me back and forth many weekends from a construction project (Unger) in Stockbridge. He was simply a great person to be around and everyone loved him and his crazy sense of humor.
He certainly launched me on a lifelong love of the shooting sports and in no small measure I spent 26 years in the Marines because he sparked my curiosity about serving in the Corps. He will be missed.

“ Marcia and family, I was shocked and saddened by the news of Buck's passing. He was a giant of a man to me. I loved to see him sitting at the pool on Pecks Rd. Buck, Jerry and Henry would have everyone laughing until we hurt. Everyone loved Buck. The crew that made us laugh are together now and forever. My thoughts and prayers go out to Marcia and family in hopes they may bring some comfort during this difficult time. Rest in peace Buck, rest in peace.

“ I remember the time when I was working on a remodel with Jimmy. He had gone hunting over the weekend and got a tick in his ass. He asked me to pull it out for him and I kindly denied. He than got my apprentice to do it. The homeowner, a dentists wife had every thing set up in the bathroom. A towel draped over the sink. Extra lighting and tweezers. I came around the corner and there he is was bent over the sink and my apprentice picking at his ass with the tweezers. Man do I wish we had cellphones with cameras back then. It was always a blast working jobs with Jimmy. Rest In Peace my friend.

“ Marcia and family, I was so sorry to hear the news. Buck was such a great friend to Henry. After Henry's death Buck always made me feel like he was watching over me for Henry. He would always comment on my facebook posts and say hang in there kid. I bet they'll have a few good chats on that porch in heaven together. Hugs and love to all of you. Tara
