

Mr. James W. Sullivan

April 2, 1936 - May 19, 2020

Mr. James Whitney Sullivan, 84, of Dalton, passed away on Tuesday, May 19, 2020 with his loving wife by his side. Born in Dorchester, MA, on April 2, 1936, the son of the late George and Flora (Lampro) Sullivan, he graduated from St. Joseph's High School in 1954 and Northeastern University in 1959 with his Bachelor of Science in Mechanical Engineering.

He was an active participant in the ROTC program while at Northeastern and then enlisted in the United States Army in 1959, where he proudly served his country. For the majority of his career, he worked as the Lead Mechanical Engineer at General Electric from 1960 until his retirement in 1996. Jim took pride in his many designs that were used on Navy battleship guidance systems.

Jim could always be found creating either through woodworking projects or his magnificent machines made from junkyard treasures. Jim will be especially remembered for his never-ending contraptions, birthday pranks, song creations, and dry sense of humor. His true devotions were to his family, faith, and his value in education. A testament to this was his daily morning text messages to his grandchildren that often included the math problem of the day, always ended with a "lubu," and a message to never stop learning.

Jim leaves behind his devoted wife, former Elizabeth M. Shorey. They would have celebrated 60 years of marriage on July 2nd. He is survived by his beloved sister, Jean Mantello of Sterling, Virginia. Jim is also survived by his children, Laurie Ann(Timothy), Michael Whitney(Sheri), Jean-Marie Whitney(Eric), Elizabeth Whitney(Stephen) and Thomas Whitney(Diana). He leaves behind 12 grandchildren; Erin, Christopher, Lyndsey, Nicholas, Nathaniel, Camille, Whitney, Emma, Zachary, Kealey, Delaney, and Ainsleigh. He cherished time spent with his three great grandchildren Felicity, Hattie, and Rory. Jim also held a very special place in his heart for his many nieces and nephews. He was predeceased by his parents and two brothers, Jerome and Albert Sullivan.

“ Betty and family,
I am so sorry to hear of Jim's passing. I worked with Jim at GE and he was an excellent engineer and a wonderful person. The last time I saw Jim was in Joanne Fabrics and he introduced me to his beautiful granddaughter. I could tell from his manor how much he loved her, and from all of the pictures I just viewed, how much he loved his family. I am sure his passing has left a big hole in your hearts.

My thoughts and prayers are with you.
