“ Dear Paula, Al and Dickie,
I'm not sure you'll remember me, but as a child I was your next door neighbor on Egremont Ave. I was saddened to hear from a family member today that your Mom passed away. At the same time, it brought back such great childhood memories of your Mom. She was always so sweet to me. I vividly remember all the ceramics around the house and still use the spaghetti sauce recipe that she once shared with my mother. May she rest in peace.
Best,
Kathy (Horton) O'Toole

“ Dear Asher Family,
I am very sorry to hear of the passing of Pauline. I remember her from back when I played Soccer with Al back in the 70's. My thoughts & prayers to the entire family.

“ I have many memories of Pauline at our Monday poetry meetings at Froio senior Center. She was a lovely lady whose poetry graced those meetings. We always followed with coffee in the coffee shop with her husband Dick for awhile. I have a crocheted table cover which she generously gave to me and crocheted for many poetry members. I shall cherish it. Her poetry was astonishing. She often told us that she began writing later in life. Such a talent that your family will hand down to generations.

“ Dear Paula, Al and Dickie,
Our deepest prayers and sympathy go out to all of you and your families. Aunt Pauline was very special to me. She was my Godmother and I was in their wedding. Both of your parents were special. So many fond memories of celebrations over the years in their back yard and home. If walls could talk! She was the "Morsello" baby and my mother adored her from the time she came into this world. She will be missed but knowing she is in a better place helps to ease the pain. I know you all carry her and Uncle Dick in your hearts. Continue to share their memories with all of their grand and great-grandchildren. Think of the stories we will be able to share when we can get together. Until then...know you continue to be in our hearts. Rest in Peace, dear Aunt Pauline. Hugs and kisses...
