“ As the loved wife of my uncle, Dick Vinette I had known Aggie for many, many years.

I know this is a little late but I live in Florida and miss being in touch with loved relatives

This was the case with Aggie, a long ways away but never forgotten.

Aggie was very special to me and was a very lively and fun loving character.

I remember years ago when she met me in Port Orange, FL. where I was a police officer and she showed up driving a huge motor home.

I knew Aggie wasn't the best driver but I got in anyway.

Aggie started to pull out of a parking lot and immediately knocked a large street sign down.

We laughed about it but I was in kind of a bind as it should have been reported.

But, we both decided it would be best for her to drive away.

I never let her forget it every time I saw or talked to her.

I also remember so many fun times at the pond in Lanesboro with Dick, her and the rest of the extended family.

Great times, actually some of the best times of my life.

Sorry Aggie, it took me so long to find this out. If there is an afterlife I am sure those two are somewhere entertaining everyone.

“ *Agi and her Mom Heidi, took me under their wing when I was 18 years old very much alone. They were wonderful to me and I will never forget it. We have been friends for a long time, but of course not the same daily friendship she shared with Janice and her family. Agi and her Mom have always been dear to my heart and I will always remember them with love and respect.*
