“ I am thinking of you all and fondly remembering my time with Alice. She was a great lady and lived a full life. I considered her a mother and a mentor and am happy that she is reunited with Harvey. Hope they are enjoying a couple of whiskey sours with their friends from East Pond!

“ A long time friend, choir member and one of our choir librarians. I always enjoyed working with Alice (and her friend Ethel) and I KNEW the music file would always be in order and where it should be. One of my fond memories of the time I spent at the First Congregational Church in Dalton. A fine, fine lady.

“ We became friends with Alice and Harvy over 50 years ago with our move to Burr Dr.

We remember all the wonderful Burr family get togethers and skiing at Greylock Ski Club on weekends. Harvy, Joe Cosgrove and myself skied Mt Brodie with evening instructions.

We have wonderful memories of Alice ,Harvy and their sons.

May she rest in peace.

With our deepest sympathy.
