

Anne Marie Wetzel

March 21, 1949 - March 14, 2017

Anne Marie Wetzel, 67, of Pittsfield passed away on Tuesday, March 14, 2017, at UMass Medical in Worcester after a brief illness. She was born March 21, 1949 in Pittsfield as the only child to Rollin (Butch) and Gertrude (Creran) Wetzel, both of whom predeceased her. She graduated from Pittsfield High and Smith College. She earned her Master's Degree from San Diego State University and studied in their doctoral program in Psychology. Anne was a well-loved math teacher at Mount Greylock and Pittsfield High Schools until her retirement in 2011.

Anne was loyal and dedicated to her friends and family. She made every event and holiday full of color, crafts, style, food and love. She was generous to a fault. She cooked, decorated, entertained, dressed and indeed lived with great joie de vivre. Every life that touched hers was richer for having known her. Her encyclopedia-like mind for family history is already sorely missed. She loved playing card games, reading, crossword puzzles and sudoku. She enjoyed traveling with her close friends Tom Dillon, Barb Bell, June Marketonis, and Donna Trudeau. She was like a daughter to her cousin Mary Morse and like a sister to her cousins Steve and Cori Morse of Lynnfield. She leaves her close cousins Kathleen and Stan DeCoster of Salem, CT, and Maryjane and Ned Alibozek of Pittsfield. She also leaves many, many more beloved cousins and friends—a beautiful tribute to a life well lived that there are too many to name. Her Siberian cat Neva has found a wonderful new home with Donna, just as Anne planned for her.
