

Athena Ryan LeClair

January 11, 2021 - June 28, 2025

While it is with great sadness that we announce the passing of the strongest warrior we have ever met, it is also with an overwhelming sense of peace, knowing that she is now smiling down on us all, wearing her favorite Bluey dress, her girly-girl high heels, and her finest crown, just like princess she not only always wanted to be, but truly was.

Athena Ryan LeClair passed away on Saturday, June 28, 2025, after a strong and courageous battle with Cystic Fibrosis. Born on January 11, 2021, she was the beloved daughter of Samantha Superneau and Dalton LeClair, and the best friend to her big sister, Frankee.

While Athena valiantly fought against CF every day of her life, she never once let that steal her happiness. On no occasion was she ever without a smile, especially when watching Bluey or eating her personal favorite--a cheeseburger! Besides Bluey and cheeseburgers, she loved kitty cats and arts and crafts. Each night she would always say "I love you, goodnight, and I'll see you in the morning"—a promise she always did keep.

Besides her parents, Athena is survived by her sister, Frankee LeClair, as well as her grandparents, Brenda and Frank LeClair and Dawn and Stephen Superneau.

While Athena was taken from us much too soon, she taught us more in her short four years than was imaginable. Though she will be sorely missed by all of those who were blessed to have known her, she will always be remembered for the warmth she radiated and the love she so effortlessly shared.
