

Baby Ezra Tucker Stanley

November 13, 2024

“Every footprint, however small, leaves a powerful imprint on this world.”

Baby Ezra Tucker Stanley was born sleeping on Wednesday, November 13, 2024, at Berkshire Medical Center. He was held in the arms of his loving parents, Max Stanley and Michael Tucker Brassard, of North Adams.

Though only with us for a fleeting moment, Ezra was adored by his grandparents, Eric and Robbie Harrington Brassard, and Jason Gomes, as well as his great grandparents, Joyce Brassard, and Doreen Stanley. He was cherished by his aunts, Ryleigh Brassard, Mackenzie Gomes, and Aleezia Gomes, as well as his uncles, Kenny Stanley and Leo Marable, Jr..

While we long to have had more time with Ezra, we find comfort knowing that he is now meeting the rest of his family in heaven, surrounded by their love: his grandmother, Lynn Stanley, and great grandparents Robert “Manny” and Betty Harrington, Bob Brassard, and Sunny Bently.

Baby Ezra, as it has once been quoted— “You were born silent. Perfect and beautiful. Still loved. Still missed. Still remembered. Everyday.”

Funeral Notice:

“ *Such a beautiful boy. So very sorry for your loss. May he find eternal love and comfort in our Father's arms. May you find peace in knowing that there is a plan and a reason for every one of us. Ezra was part of your life as a gift. Although fleeting, his time on earth was cherished. Love you.*
