“ To all Beverly's Family & Friends, especially the Lubold's; I send my condolences & Prayers.

Beverly was such a nice woman. She did the Church sponsored calendar for many years.

When I worked at Price Chopper in Lee from 2008-2013 I started to worry about her at times toward the end of my time there. She told me she went South in Winter where Michael had a job and he looked after her.

*I never knew that the Lubold Family had a connection to Bev..
Bev was a GEM of a Woman. Always a big smile and happy eyes.
God Bless her Soul with Peace & Joy of Heaven.*
