“ I am so sorry to learn of Bonnie's passing. My deepest sympathies to you David, Kyle, & Shannon. So many memories growing up in Chatham and attending school & hanging out with Bonnie. What a great sense of humor she had and a spitfire when she felt she needed to be. May she rest in peace.

“ Dave and family, I'm so sorry for your loss. Working with Bonnie was some of the best days. I remember when she became pregnant and how excited everyone was for you all. They were great years. She had a kind and loving heart. This world was better because of her
