“ *Thoughts and prayers to all the Rilla family...Brian was a good friend of mine many years ago before life took us in different directions...His Mom and Grandmother were always welcoming to me everytime we visited them..Besides getting me a job at BMC, we played lots of sports together, hoops, golf and football, of course Brian excelled at all of them without much effort....Brian went all out in everything he did in life...His dry sense of humor made those who knew him laugh quite a bit...A lifelong Dallas Cowboy fan, Brian, wasn't always the warm and fuzzy type but underneath that exterior he loved his family and friends...RIP Rilla*

“ *My thoughts and prayers go out to Brians family and friends...I still can't believe Bri is gone and I will miss him daily. I had known Brian for years and he was an amazing, loving gentleman who had a heart of gold. Brian could make me smile in an instant as he was very comical. I will always have a special place for him in my heart and love him always. R.I.P BRI <3*
