“ I only knew Cathy for a short time. I work in activities in the nursing home.
I loved looking at her flamingo collection and her plants. She was a nice person . I wish I had known her when she was feeling better.

“ My sincere condolences to Cathy's family. I remember Cathy's beautiful spirit and friendship from our days at St. Joe. Although I was a class behind, I spent time with Cathy and Beth and Chrissy...so many laughs and such a great friendship they shared. I also visited Cathy in FL and remember her laughing at me when a lizard scared the heck out of me. Although I didn't spend a lot of time with Cathy, when I did, it was always filled with joy. Wishing all of you strength and peace as you mourn her beautiful spirit.
