“*Katie, Pam and all of Charlie's family,*

Back in the days when Charlie was still at work, occasionally I would have the great pleasure of running in to him in the hallways, and he always had a cheerful Hello for me. I know his life situation was sometimes challenging, but he was always upbeat and such a joy to talk with.

I'm truly sorry for your loss.

“ I will always remember Charlie as a person who was a man who you could depend on as a devoted teammate and always have your back. He was a talented member of the same high school baseball team who won the state championship in 1966. He was kind but rugged when he needed to be. I have many great memories of he and I and our friends hanging out on North St on Thursday nights back in the day. Rest in peace my friend. Paul Pierce
