“ I didn't have the opportunity to meet colleen personally, I know that she was a beautiful person and I'm sure she will be missed dearly, She will now be at piece with her long time partner Timothy P Rattigan, May god rest both their souls.

“ I'll always remember when my dad John Buckley would take us to my aunt Ellen's for Christmas to spend with the girl's and my other cousin's the 3 boys Tommy Brian and Dale. We would have suc. Great quality time together. Seeing as our family didn't grow up to close together I surely cherished those memories and others along the way through out our life's. Love y'all always
