“ To the family of Danny Kelly, who was my dear classmate at NHS, and perhaps the sweetest and kindest boy I knew at school. I will always remember his warm and easy smile. I hope the following will bring you comfort:

*Do not stand at my grave and weep.
I am not there. I do not sleep.*

*I am a thousand winds that blow.
I am the diamond glint on snow.*

*I am the sunlight on ripened grain.
I am the gentle autumn rain.*

*When you wake in the morning blush,
I am the swift, uplifting rush
of quiet birds in circling flight.
I am the soft starlight at night.*

*Do not stand at my grave and weep.
I am not there. I do not sleep.*

He was truly a brother to both Sue and I the last 16 yrs we would fish every other weekend in the summer, winter time he would still come down we always had fun when he was around. Chatted daily 2-3 hrs at a time. He will be missed dearly and will remain in our hearts. We Love you Dan

“Henrietta, I am so sorry to hear of Danny's passing. I remember when you all lived on Bridge Road (at least I think that is where it was) and my grandmother Rachel Wood and I would visit you. She always called you Kelly. My how time has passed and you are in Michigan now!! You have 3 grand-daughters as I do, isn't being a grandparent wonderful. I just read the Gazette and wanted to pass on my thoughts and prayers to you and your family. I have such fond memories of our visits. May god bless and please know you are in my thoughts and prayers.

Hello Kathy, this is from Dan Crovo, formerly of 485 Bridge Road in Florence. I remember your brother well from when he stocked the shelves at the grocery store and would occasionally give me a quarter. Also recall him speaking with my dad before he entered the service. I hope you and your sisters are well.
