

Mr. Daniel Love

April 17, 1960 - March 16, 2024

It is with deep sadness that we inform you that our brother, Daniel Love, passed away after a short illness on Saturday, March 16, 2024. Dan lived in Sandisfield, MA, most of his adult life, and was 63 at the time of his passing.

He is survived by his sister Terry Love, of California and her son Joey, sister Marcia Beverly of Pittsfield, and brother, Clifford Love, also of Pittsfield. He leaves a niece Jennifer Beverly and her children, Javon, Jennessa, Jamari and Jeniah from South Carolina. There was also a special place in his heart for Jackie, with whom he spent a lot of time going on adventures and trips to Salem, MA.

Dan worked as a machinist at Carr Metal for many years.

He enjoyed sailing with Matt and Janice, fishing with Mike, motorcycles, and camping in the Adirondacks with his friends. "I have the best friends", he would always tell us.

His sense of humor and his personality will be missed by all of those who knew and loved him.

Rest in peace, Dan. Your wings were ready, but our hearts were not.

“ *Extremely sad, the loss of a Friend you grew up with. A group of people in a small town that learned from each other as the years passed on..*

A ton of memories bring tears, yet mostly smiles as Dan had that quirky personality.

I'm so sorry to the Love family. Sending sympathy.

As Dan would say.. I'll see you later ol' dude!

“ Dan was such a kind, caring man, with a big heart. He helped me to laugh again after a deep loss, and showed me how to live and love again. Forever grateful, and honored that he called me friend. Thank you for my Rock! I will hold you in my heart forever.
