“ I loved Danny so very much. Didn't see him enough...my bad. But I know he was living the way he wanted to and enjoying being a Grandpa...He adored his children and made fun of everything they did...and everything Ade did, and everything everybody did...because he loved to laugh...and he made us laugh at ourselves. I missed you when I didn't see you enough, and now I will have to miss you miss you. I will never ever forget you my friend...and I will stay close to Ade, Bean, and Nik...and little Reed. Love you man.
