

Mr. Daniel "Dan" Saldo, Jr.

August 30, 1975 - August 11, 2024

Mr. Daniel "Dan" Saldo, Jr., of Pittsfield, passed away unexpectedly on Sunday, August 11, 2024, just weeks before celebrating his 49th birthday. Born in Pittsfield, MA, on August 30, 1975, son of Daniel Saldo Sr. and Wendy Saldo, he graduated from Mt. Greylock High School with the class of 1993.

Anyone who knew Dan knew he had a huge heart and a contagious laugh. He enjoyed riding dirt bikes, hiking in the area and Mt. Greylock trails, ice fishing, going for long drives, getting sunshine and going to the beach, football (go Vikings!), delicious meals, reminiscing fond memories of his childhood in Berkshire Village, and most importantly, spending time with his family, especially his nieces and nephews, Jaxon, Emma, Lucas, Eian and Ashton.

Dan worked as a concrete laborer for many years, with a few years as a Foreman at Unistress.

Dan is survived by his life partner Tracie Shelsy; his mother Wendy Saldo; his father Daniel Saldo Sr. and his partner Jessie Gilligan; his siblings, Michael Banister, Melissa Banister, McKensie Saldo, Elyse Levesque and Nathan Saldo; and countless aunts, uncles, nieces and nephews.

He was predeceased by his grandparents, Charles and Carolyn Atwell, Paul and Betty Saldo, his uncles Steven Atwell and Paul Saldo, and his aunt Lisa

“ Dan I still can't believe your gone. We grew up together in diapers. You were my best friend. We spent almost everyday together until 10th grade. I'm very happy that you got to meet your half sister. Thank you for accepting her, loving her, and taking time to play with her, and spend time with her. We've been out of touch for many many years but the memories and all the great times will ALWAYS remain in my heart & my memories. My heart goes out to all your siblings, your Mother, and your Father and his entire family. Tracie I'm so sorry for the pain you're going through, I cannot imagine. You're in my thoughts & prayers. The ENTIRE family is in my thoughts & prayers. Oh Dan I've got 48 years of memories of you that I'll cherish forever and thank you for what you did for your half sister. You were always so loving, caring and fair to all. This is a tragedy and I just wish you were still here. I'm grateful that I got to see you & talk to you at Our Aunts funeral. You let me & Krissy still n always call ypu by your nickname given to you hy your Grandmother Caroline! You will always be like a brother to me. I know things got complicated but you were always my friend & you protected me so many times, I'm grateful for that. I'll always love you for being you in My own way. Here it is months later & it still doesn't seem real to me. So many beautiful memories I'd love to share but I'll keep them close to My heart forever. You were a very good person to all. Great friend, family member, and big brother to allllll of your sibilings. Thank you for being my lifelong friend & my protector when we were young. Always in my heart. I'll always love you in my own way. Rest in Peace Dan.

“ You were always the cool football guy senior with that girl. And you were smart, and funny, and I always admired your polite charm growing up . I loved how your sister always was in your eyes and you were her big brother with the jokes. Wish we kept in touch. But you will be always remembered and talked thru the years with all the people that you touched their hearts. You are here forever in our hearts

“ I am absolutely beside myself with the untimely death of my nephew Dan. He was a great kid and a better man. This is such a travesty and difficult to deal with. I send my heart felt condolence to Wendy and the rest of the Atwell family as I know how he was loved by all. I also send my condolences to his brother and sisters Nate, Alice, Mckensie as I am sure this is extremely painful and disconcerting. My children are also affected by this untimely passing. For all who knew Dan can understand the emotional turmoil and sadness this has created. My only consolation is that I know he is in Gods hands and for whatever reason was determined that his lifes work is completed.

With my deepest sorrow, sadness, and unyielding love
