“ I'm so sorry for the family's loss of such a great guy. I went to school with Dave and although I haven't seen him in a very long time, I always considered him a good friend. He will be sorely missed by all that knew him. Rest in peace Dave! Penguins in bondage my friend!

“ My fellow nightowl- I'll miss seeing your open door and light on when I finally retired for the night. I'll miss cleaning pesky snow off your car. I'll miss your visits with fresh veggies and stuffed green peppers, and the conversations we had discussing the gourmet pros and cons of tiger lily flowers. You and Jack go off and play now with the butterflies. That's where he will be family, solace for your loss.
