“ I worked with Swatz for many years at Crane. On our time off we shared many a beer and a cigar, good conversation and stories. Swatz always liked his polka hour on Sundays, so when we had to work, we would broadcast polkas over the company radio. At that time, he was our dispatcher, and would get a kick out of hearing his music coming from the company trucks. Rest easy my friend, I wish I made more time to see you after you retired. One day again we'll have a Pabst and a cigar together. Rest easy buddy. Mike Robins

I posted, but can't find it, I was remembering over the years, sitting at your kitchen table until all hours of the night into the morning just talking and laughing, and having such a good time. Thank you for being my friend and for always being there for me, no matter what I was doing. You were my go to person. It seems ever since I was 19-20 years old. We shared a lot of memories, and we had all of the same friends. The Dalton gang. Thank you for being a part of my life always. If there was one person I knew that love me on this planet I know it was always you. Rest in peace Dave.

“ Hey, it's Geri-Lynn. Your adopted daughter. I can't believe you are not here. I'm just happy you aren't suffering any longer. I know Dalton will never be the same again. Want to let you know I met my sister Audrey. I know you see us and it brings you joy. Just know, we will watch out for each other.

The memories of you I will cherish and hold near. Camping, Forest Park, my youth on Pleasant Street, the parades... You will not be forgotten!

Love always,
Gerilynn

“ Sending prayers of strength and comfort for Audrey, Patrick, and Jeffrey, and everyone who loved Uncle Dave. I will always remember him fondly and will miss our occasional meet ups at Teo's since before I was old enough to drink. Hotdogs, a Genny pale ale (after 21), and scratch tickets. I'll also remember our times in Dalton as little kids when Uncle Dave was a firefighter and being on the firetruck and summers at Cape Cod. I pray your resting in Heaven Uncle Dave. Love, Melissa (Missy Gelpi) and boys.

“ Swatzie, Dad, I am happy that you are at peace but I am so sad to lose you so soon, my heart is broken. You were my rock, my confidant, my Dad, my everything. You were so strong and patient and always knew the right thing to do in every situation. You took such great care of my mom, my brother and myself for so long and I will cherish our so many memories throughout the past 45 years forever. May you rest in peace now.
Love you always and forever,
Audrey
