

David Michael Forrest

June 23, 1954 - June 16, 2024

David “Dave” Forrest passed away on Sunday, June 16, 2024, after a long illness, and just one week shy of celebrating his 70th birthday.

Born in Pittsfield, MA, on June 23, 1954, the son of the late John E. and Eileen Callaghan Forrest, he attended St. Mary’s the Morningstar School and graduated from St. Josephs High School in 1973. Later, Dave received his B.S. from UMASS Amherst and then his MBA from Western New England College.

Dave found success in his 35-year career at General Electric, Martin Marietta, Lockheed Martin and General Dynamics, where he worked as a contract administrator and program manager. His responsibilities included frequent travel to Washington D.C where he established excellent, effective business relationships with client Strategic Systems Program executives affiliated with the United States Navy.

He was a good man and devoted father. While Dave will be sorely missed by all of those who were blessed to have known him, he will always be remembered for his kindness, generosity and vibrant sense of humor.

Dave leaves behind his wife, Candice Forrest, his three sons, Patrick, Daniel and David Forrest and their mother Karen Reilly, and his grandson Reilly

Forrest. He is survived by his brother John Forrest and sister and brother-in-law, Judy and Jerry Concannon. Dave also leaves behind his lifelong and devoted friend, Terry Miller, along with many other friends and relatives.

“ I am sorry to hear of Dave's passing, and send condolences to his family. I came to know him when we were kids through his brother John. As we all grew older and went our ways, we occasionally ran into one another here and there in Pittsfield. Though our paths crossed infrequently, I will always remember and appreciate his friendly smile and outstretched hand, his quickness to greet and genuinely ask of me and my family. I am sure his family and friends will forever miss that ready smile and kindness. I will make an act of kindness for them in Dave's memory. Mike Clary

“ Although Dave was 10 years my senior, I couldn't ask for a better cousin. He always would include his younger cousin in whatever fun he had in mind when I visited Pittsfield. He greeted family with a smile on his face, and Dave was always ready with joke that sometimes included giving you the business but it was in a spirit of fun and he expected nothing less in return. He was an excellent story teller, so whether we played some golf or went to the horse races at Saratoga a good time was guaranteed with Dave regaling all involved. If his brother John and sister Judy participated, it was an added bonus of spending time with all the Forrests. I know I will miss my cousin very much. Condolences to the whole extended family and his many friends on our shared loss. John Bova
