“ In a little over a week “that” day will be here again. (The day I wish I could avoid all together) because then I have to face the fact that you’re gone.

I wish we had more time together so I had more memories of us to think back on in your absence. we barely got to know each other... I’m unsure where anyone ends up in the end, but I hope where ever it is, that your at peace.

I love you, and will miss you always.

-Love, your little sister

“ David was a special kind of guy, always with a smile on his face and always willing to help, last time I saw him was up at Onota lake where he sat and chatted with me so proud of his little puppy. he reminded me ..that if I ever needed help to give him a call . Rest in peace David you will be missed by many.
