

Mr. Dean Michael Demary

April 22, 1971 - February 21, 2025

Dean Michael Demary, of Pittsfield, passed away on February 21, 2025, months before celebrating his 54th birthday. Born in Pittsfield, MA, on April 22, 1971, he was the son of the late Vernon Kohlenberger Sr. and Marie Gooley.

Dean was somewhat of a Legend in Pittsfield, knowing just about everybody across multiple generations. Consequently, his life has impacted many.

Dean worked in sales most of his life. From car sales to timeshare, it was something that came too natural for him.

He was always ambitious, starting his first company, a call dealership called All Star Motors, around 2003. More recently, he created a business selling Tabboo hygiene sticks, a product of which he was very proud.

When Dean wasn't working, he was working out. He always wanted to be around all of his children, or any of his many longtime friends that he would consider family. He enjoyed spending time at the beach or the lake. While he loved to play guitar and enjoyed writing and watching football, Dean was always at his happiest when he was helping others.

Though Dean struggled with addiction on and off for years, he found strength in helping others who also struggled, even during his own recovery. He created a community program called Hope Fiends which ended up saving

lives for many who participated.

Dean is survived by his eight children, all of whom he adored and was so proud of: Joshua Palmieri (Andrea), Kali Palmieri, Nicholas Laughran, Cole Laughran, Logan Laughran-Demary, Ashlin Demary, Asher, Demary, and Cade Laughran-Demary. He leaves behind 2 brothers: Dennis Demary, and Vernon Kohlenberger Jr, as well as his sister: Nancy Taylor.

Besides his parents, he was predeceased by his sister, Kimberley Demary Moore.

Dean will truly be missed by all of those who knew and loved him, but he would want each one of us to use his passing as a reminder-- There is still hope. Never give up.

Dean Demary. Gone but never forgotten.

“ To Deans children & family- I am so sorry for your loss.

Dean was well known in Pittsfield as most people know. I remember growing up, in my teens, walking around North Street and seeing Dean walking ALWAYS with a hair brush in hand or in his pocket. He had the long hair back then. Dean and I would often chuckle when I brought this memory up to him. He will be missed but certainly never forgotten.
