“ Had a very accurate arm when throwing a rock at a streetlight, was an awesome hand fisherman. Was feared by batters that had to face his pitching in Little League. Fond memories of a remarkable individual.

“ I am sending thoughts and prayers in hopes they may bring some comfort during this time of sadness. The West Pittsfield Family is getting smaller with the loss of Dennis, and the loss of Peter with-in days of each other. Dennis was a good person, always willing to help when needed. I remember walking home from Stearns School and being at Lebanon Park , hanging out at the Tunnel or just hanging out in the neighborhood with all of the families, Leibenow's, Krupka's, Stracuzzi's and all of the other kids. It was the best times of my life growing up in West Pittsfield because everyone was family and we all looked out for one another. Our parents would never worry, because all they had to do was make one phone call and somebody would know where we were and what we were doing. Dennis is Walking in the Sunlight with the Spirit. Rest in Peace Dennis, rest in peace.
