“ Alison and I are so sorry for your families loss. We had the privilege to go on a cruise to Hawaii, which your parents were also on. We ran into them a couple of times and had a chance to chat with them for a few minutes. We both thought what a nice couple and was pleasantly surprised to find out that their son, Matt, worked with me at the hospital. Small world isn't it - Prayers being sent to you and your family. “ I enjoyed working with Don every May, doing the flag placement on veteran gravesites in the Pittsfield Cemetery. We would divide into several groups and complete the flag placement within three days. Don had it down to a science with his knowledge of veteran gravesites in the Pittsfield Cemetery. Rest in peace, fellow veteran!

In Sympathy,
