“ *To the Morin Family,*

I am so very sorry with hearing of the passing of Donald as my heartfelt thoughts and prayers are with all of you during this difficult time. Being from Pittsfield and a childhood friend and classmate of Mike's we have been able to stay in touch on a fairly regular basis. Though that I have been able to enjoy many of the beautiful pictures that have been shared over the past several days. They all show such a wonderful man, husband, father, grandfather and human-being, overall. May his legacy continue through each of you with the many years to come... God bless you.

Sincerely,

David Valenti & Family
