“ *Dave and family,  
I have had the pleasure of knowing your family, and I think of you all often. Great picture of Don. Heaven gained another beautiful angel. I hope he and Judy are together forever and that that thought somehow lessens your sorrow and grief.*

“ *Dear David and family,  
Please accept my condolences on the loss of your father. I went to school with both of your parents and graduated with them. Wonderful people. I don't know if you remember me but I lived at 25 Hazelwood terrace in the low 70's until we sold our house and bought here on Barker Road In 1975. You use to come down to my house and play with my son Francis when he was a toddler. Fran will be 55 in September so that was a long time ago. I really appreciated you, just like your parents. Again so sorry for your loss.
