“ *Whether visiting her at Bev's cottage or just seeing her from afar, (from next door at my parents cottage) I could be guaranteed that "Gram Hogan" was having a wonderful time with her family. Yes, had a smile on her face and yes she did have a twinkle in her eye! She was always so positive and caring. As I have often said in my adult years, she was a hot ticket. In my youth, she would hug me and make me feel like one of the family. Those quick moments lasted many decades for me.*

My deepest condolences to the Doyle family. I love you all.
