

Ms. Dorothy E. Forrest

January 25, 1950 - January 31, 2022

Dorothy Elaine Forrest, 72, of Pittsfield, passed away peacefully at home on January 31, 2022, after a valiant battle with breast cancer.

Dot was born in Waterville, Maine on January 25, 1950, to Francis and Verna Gagnon. She moved to Pittsfield in 1967 from Portland, Maine and graduated from St. Joseph's High School in 1968, later receiving a Bachelor of Arts degree in social work from Boston State College in 1973. She dedicated thirty-three years to preserving and reuniting families with the Berkshire County office of the Department of Children and Families.

A longtime member of the Springside Greenhouse Group, Dot loved her plants so much she became a Master Gardener in retirement, as well as volunteering at Habitat for Humanity, and taking care of her grandchildren. She loved music and to travel, spending lots of time in her home state of Maine, visiting her children and grandchildren, and traveling internationally. Her love of food and cooking influenced her travels.

Dot is survived by her children, Kathleen, Allison, and John-Michael, their father John P. Forrest, and her grandchildren Justin, Carter, Jack, Shyanne, and Takki, as well as her brother F. Scott Gagnon and her sister Barbara Gagnon DiPietro. She was predeceased by her parents, sister Carol, and brother Eric.

The center of the family, Mom called it like she saw it and didn't put up with any nonsense. She found joy in taking care of her family, and her presence and generosity will be deeply missed.

“ *Dot was such a great person with a very giving heart. It was a pleasure knowing her through Master Gardeners and the Springside Greenhouse. She was great to travel with and enjoyed all new experiences. Her time with us was cut too short and she will be sorely missed. Condolences to all her family members. Her love will remain a constant presence in our hearts. Rest in Peace, Dot.*

“ *So sorry that Dot has passed on. She was someone who struck me as having a great sense of who she was. At the big gatherings, her dry sense of humor was always appreciated. Lots of love, Jenny Callaghan Conti*

“ Dear John and Family,

I was sad to hear about Dot's passing. She was a great friend during our Berkshire Community College days. She never held back on what she was thinking, and had a great sense of humor and a wonderful laugh. We had many fun and crazy times together. My thoughts and prayers are with the family that she love dearly. She was a remarkable person. Gone way too young!

*Sincerely,
Patty Gifford Williams*
