“ I am so sorry to learn of Jeanne's passing. She was my supervisor at Hillcrest Hospital in the Dietary department 34 years ago, and she made an impression on me that will never fade. She was tough! :) But, always fair. She didn't suffer foolishness well, but she laughed along with us if something was funny. To this day, I can hear her imparting wisdom as only she could - and she was always right. She taught me how to cut a tomato so that you waste as little as possible. She taught me that you can say more with a look than you ever could by yelling. She was strong, smart and beautiful; and she was a formidable force. I remember her and those times in that kitchen so fondly. May she rest in peace and may her family accept my sincere condolences.
