

## Mr. Eddie Allison

May 29, 1967 - March 4, 2023

Mr. Eddie Allison, 55, of Windsor, passed away unexpectedly on Saturday, March 4, 2023. Born in Tulsa, OK on May 29, 1967, the son of the late Herbert and Mary Turpin Allison, he graduated from Nathan Hale High School and recently earned his degree in Electrical Engineering from MCLA.

Eddie was a veteran and he proudly served in the United States Navy for 25 years, from 1985 until 2010. He retired honorably as a Senior Chief Petty Officer.

Eddie was currently employed by General Dynamics, where he worked in their Mission Systems department. It was there he had dedicated 10 years of illustriously humble service.

Among many things, he enjoyed helping others, old westerns, cars, strategy games of all kinds, smoking meats, awful jokes, and his incredible, yet humble, wife.

Eddie is survived by his beloved wife of 34 years, the former Loretta Starks, whom he married on the 16th of July 1989. He leaves his children Danielle, Scott, and Greg Allison, his daughter in law Mandy and his grandchildren Aiden and Eiley Allison. Eddie is also survived by his sister Leah Turpin, his nieces Hannah, Bethany, and Jubilee Allison and Tara Walck, as well as his

nephews Steven, and Joseph Allison and Jeremy and Jesse Walck. Additionally, he leaves his sisters-in-law, Terri Wilson and Kim Allison.

He was preceded in death by his nephew Timothy Allison, brother Herbert Allison, and sister Lisa Allison.

Eddie said it best when singing the words of a Mac Davis tune: "To know me is to love me, I must be a hell of a man. Oh, Lord, it's hard to be humble, But I'm doing the best that I can."

While Eddie will be sorely missed, he will never be forgotten, as his memory (and dad jokes) will continually live on by all those who were blessed to have known him. Eddie truly was one "hell of a man"

“ *My most favorite cousin! We both went to the same high school, I was a freshman, he was a senior. He would give me a ride to school and a ride home. We were very close.*

*Looking at all these photos it makes me so sad at how much I missed in his life. I wish our kids knew each other. I wish I had reconnected sooner. I wish we had more time. I wish I could be there today to say goodbye and hold Loretta's hand. I love you Eddie!*

“ I went to school with Eddie in the Computer Science Dept. at MCLA. He was a great man! Very knowledgeable, always ready with a joke or a helping hand. He was loyal, kind-hearted, and easy to talk to. It was like we were old friends. I always enjoyed exchanging military and work stories with him. An American original he was!

They broke the mold with Ed.

He was called for duty elsewhere too soon.

I'm grateful to have known him.

And, he sure will be missed by all who knew him.

My utmost sympathy and prayers to Lori and his whole family. He really loved you all.

Fair winds and following seas, brother!

“ Lieber Ed, wir werden Dich schmerzlich vermissen, obwohl wir Dich nur als Mitspieler eines Spieles gekannt haben. Trotzdem war es fast so, als wenn wir uns schon lange gekannt hätten. Danke für die schönen Stunden, die wir verbringen konnten und Danke für Deine Gebete, als es mir sehr schlecht ging. Ruhe in Frieden. Beste Grüße aus Tirol/Austria. Gerhard alias Master Gex62
