“ Ed and I graduated as classmates from MGRHS. He also worked at Mt. Greylock along with my husband Tom Sherman who thought very highly of him. He was always quick with a friendly smile and hello whenever we saw him. He was a good guy who loved his family. I'm sad to hear of his passing. Sincerely, Donna Sherman

“ My heart is broken to learn of Ed’s passing. I will forever cherish the memories we shared as classmates at Mount Greylock as well as having had the honor to have been the maid of honor in your wedding almost 48 years ago. Even though we didn’t see much of each other over the years I was always so happy to run in to Kim and Ed out shopping and reminiscing about our younger years. Sending all of you love and hugs during this very difficult time. Love you all.

PS

“ As a long time friend Ed was the type of person who was always there with a helping hand offered without hesitation. Ed may have been a big person but he went through life as a gentle giant willing to do anything for someone else. Paula and all his friends at ODI Surgery will miss him everyday.
