“ *Hey Bro,
You are now a star in the heavens, the brightest of them all.*

My Star in Heaven

I am sending a dove to heaven with a parcel on its wings. Be careful when you open it, its full of beautiful things. Inside are a million kisses wrapped up in a million hugs. To say how much I miss you and to send you all my love

I hold you close within my heart and there you will remain. To walk with me throughout my life. Until we meet again
