“ *To Eugene's Family,
I know I speak for many local baby boomers, how deeply saddened we are to hear of Eugene's passing. Eugene, affectionately nicknamed "Junior", spent countless hours during his youth, with us sports buffs on the basketball courts at the CYC and Boys Club. On the court, Eugene stood-out as an outstanding outside shooter and on many a day would have an accuracy rate approaching 90%. Off the court, Eugene's most admirable qualities were that he was always humble and kind. He was a good man and is fondly remembered. Sincere condolences!*

“ Anne, Sharon, and Sandy. I have so many memories with Jr. ever since the Boy's Club and CYC watching him play basketball. Not many people that knew Jr. didn't know he was an exceptional basketball player. I wish he played in high school he could of been one of the county's best players that's how good he was. Driving to Saratoga, Green Mountain, OTB. Getting pizza's every Monday night at the Pizza House, the memories are endless. I will never forget him, may he Rest In Peace. My condolences to you and your families. 💔🙏
