

Eugene "Buzzy" Squires

November 10, 1950 - December 14, 2025

Eugene "Buzzy" Squires, of Pittsfield, passed away unexpectedly on Sunday, December 14, 2025, just one month after celebrating his 75th birthday. Born in Pittsfield, MA, on November 10, 1950, he was born of the late Jack and Charlotte Bourden Squires, and also loved and raised by Earl Squires.

Buzzy graduated from Pittsfield High School with the class of 1969, and shortly thereafter, left for basic training with the United States Army. He proudly served his country in the Army Reserves from 1970 until his honorable discharge in 1975.

For the majority of his career, Buzzy worked as a spray painter for various companies. He was first employed by Pete's Motors, and later Oliver Auto Body and the Ordnance department of General Electric.

Buzzy was happiest when entertaining. Singing and playing guitar with his friends and family not only brought a smile to his face, but also to all of those who were listening. When he wasn't playing music, Buzzy could be found outside, usually fishing or hunting.

Buzzy is survived by his beloved wife, the former Christine Hopper, with whom, on January 10th, he would have celebrated his 56th anniversary. He leaves behind his children, Jason Squires and Jeremy Squires, as well as Bill

Ahern, of whom he thought of and loved like a son. Buzzy is also survived by his three grandchildren, Christopher, Dillon, and Quinlan, and two great grandchildren, all of whom he adored.

Though Buzzy will be sorely missed, his memory will forever live in the hearts of those who were blessed to have known him--Until we meet again.

“ Buz,

From the very first day we met, I felt a warmth with you that never faded. Over the past 30 years, the love, laughter, and family moments we all shared became part of my life, and I will carry them with me always. I'll never forget walking up to you and saying, "Buz, it's your Sara," and hearing you reply, "Oh, Sara, you're such a doll — give me a hug."

I will miss our phone calls so much — the laughing, the joking, the talks that came straight from the heart. Those moments meant more to me than I can put into words, and I will hold them close forever. I know you're up there now, guitar in hand, playing and singing for everyone with a big smile on your face. I love you. Always, your Sara.

My sincere condolences to Chrissy and family. ❤️ Sara
