“ I meet Evelyn when I lived in Pittsfield across the street from her and Joe.

She was always such a great friend and person whom I looked forward to sitting with on a daily basis.

We shared many fond moments chatting away talking about the neighborhood, my dogs, her love for dogs, we helped each other through those occasional tough times by making each other laugh.

We became very close, she will truly be missed I had great love and respect for her always.

“ Joe, Joe Jr., Kim, Scott and all of Evelyn's family. I was saddened to hear the news of Evelyn's passing. I am sending thoughts and prayers in hopes that they bring some comfort during this most difficult time. I've known her most of my life and I use to babysit the children and I attended all of the picnics that the Andrews family had. She was a strong and kind soul. No matter where we met it was always with a hug. In the recent past we kept up on facebook and played Words of Wonder, her and Joe were always ahead of me. Evelyn is walking in the sunshine with the spirit. Rest in Peace my friend, rest in peace.
