“ It's Thanksgiving and I am thankful that I have so many wonderful memories of my Aunt Flo. I vividly recall the many picnics on July 4. We went to the parade and then back to that wonderful house on the lake. Swimming, boating, volleyball, great food and great people. What an awesome host, so welcoming, so kind. My family and I send our heartfelt condolences.
Love,

“ I have many fond memories of Aunt Flo! She had the greatest smile and always a twinkle in her eye. Not sure why I remember this but she made the most amazing pork roast one time and I couldn't stop raving about it,lol. I couldn't have been older than 9 at the time. So many memories, picnics surely being at the top of the list. I look back and can vividly recall so many moments with her. She will be greatly missed! Much love, Dan Welch
