“ My condolences to the family. Fran was a true inspiration to me when I began my career at New England Telephone in Pittsfield in 1968. I spent the next 30 years in the industry and I owe that to Fran, in how she exemplified her commitment to service and in modeling behaviors that I aspired to in my own journey. I know you are singing with the angels as you reconnect with those who went before you while watching over the loved ones you are leaving behind. Nilsa Fini
