“ To Frank & Family:

I have fond memories during childhood when I would get a haircut at Frank's barber shop when he was located on Melville St. in Pittsfield. Frank would always have a kind word to share, joke to tell, or he would just listen to you discuss whatever, sports, politics etc. Frank always had a great sense of humor and great stories about his trips to Las Vegas, and Los Angeles. On behalf of the my immediate and extended family I would like to offer our sincere condolences to Frank and his family. Lastly, Frank always had a special place in his heart for his children and grandchildren, he always would give me updates about how they were doing, he was so very proud of them all. You will be missed my friend, rest in peace.
