“ Although I haven't seen Frank in a number of years, I have always known he was my good friend.

We both lived in the Wilson project we were somewhat neighbors. We work together and drove together back-and-forth to West Stockbridge when we worked at the lumberyard.

We had a lot of good times, we played on the same soft ball team together. And always had a beer or two together.

Rest in peace, my friend (brownie) I will never forget our friendship..

“ Frank was a great friend and one hell of a firefighter, we've been in the trenches many times and felt good knowing he was there. Frank was also my Canoe partner when we ran the Josh Billings always complaining that I wasn't rowing. loved his cooking !!! His clam chowder OMG!!! the best part was all of the mischief that I officially deny ever happened. RIP Downtown Frank Brown..
