“ *My cousin, my childhood sister. So sorry for your family's loss. I have so many memories of Gail, of summers when she would come to Connecticut, and the times I would go to the house in Dalton, and Bruce, Gail and ZIZI Boy, the Irish Setter, and me, would roam through the woods until Aunt Lil would ring the big farm bell on the porch to bring us home for supper.*

“ I Remember working with her at Munchies Pub, we always had a lot of Good times!! A lot of time after Lunch, we would get into are gambling mood, we would get everyone at the bar involved, and Gail was are lookout for when the "Boss" was coming! When the Boss pulled into the driveway, she would run back into the kitchen like nothing was happening!!! I can picture her now 😊,it puts a smile on my face! She loved her Keno! We had a lot of great times there!! Also when ever there was a family function or something that I attended and she was there, she always made a point to come up to me and ask me how Steven & I were doing? Don't know if she ever knew how much that meant to me! And OMG, can't forget about when she was learning how to use Facebook, I use to get all these crazy messages from her that use to drive me Crazy, but now, I have a huge smile thinking about it! She will truly be missed, May she rest in piece 🙏 Thoughts & Prayers for the family
