

## Mr. Gerald S. Doyle, Jr.

December 14, 1957 - August 9, 2020

Former Mayor of Pittsfield, Mr. Gerald S. Doyle, Jr., 62, passed away at home on Sunday, August 9, 2020, surrounded by his loving family.

Born in Pittsfield, MA, on December 14, 1957, the son of Beverly Scherben Doyle and the late Gerald S. Doyle, Sr., he was a 1976 graduate of Taconic High School and attended the former North Adams State College.

In 1978, Gerry began working at Berkshire Gas, where he served as a dedicated employee for over twenty years. In 1985, Gerry was elected Ward 3 City Councilor in the city of Pittsfield. In 1987, Gerry was elected Councilor at large where he served for ten years. During his time as a member of the City Council he was elected City Council President on three occasions. In 1997, he was elected to his first term as the Mayor of Pittsfield and re-elected in 1999 for a second term. In 2001, Gerry decided not to seek a third term as Mayor and return to private life. That was not, however, to be the case as over the next 20 years he dedicated himself to serving his community and state in several positions. At the time of his passing, he was the Governor's appointee to the Pittsfield Housing Authority, a board member on the Pittsfield Retirement System and the Berkshire County Retirement System. In 2005, Secretary of State William Galvin appointed him as his Western Massachusetts liaison, a position in which he continued to serve in until the time of his passing. Gerry was also a longtime colleague of the Dwyer Funeral Home and was a beloved part of the Dwyer family. Gerry enjoyed working at the funeral home as it gave him the opportunity to do what he did so well,

helping people get through a difficult time.

Gerry was active in the Irish Sister City, a member of the Jimmy Fund, Irish Americans, Elks, Polish Falcons, East Side Men's Club, the Dalton American Legion, and countless other social, youth sport, and charitable organizations throughout Berkshire County. He was the guy to see if you needed something and was always willing help. He truly loved interacting and learning about everyone he crossed paths with. He was a people person and surrounded himself with an amazing group of loyal friends. The memories created will be cherished by many and we'll all miss hearing Gerry retell their adventures. When not running between events, Gerry could often be found on his mower, toiling in the garage, or watching a Sox game by the pool. Nothing made Gerry happier than looking out over a backyard full of family and friends. Above all else, Gerry cherished and loved his family. He leaves his beloved wife, the former Beth Harrington, whom he married on October 27, 1977. Gerry is also survived by his son, Michael Doyle and his wife MaryBeth as well as his two grandchildren, Ayden and Emmalee who he absolutely adored. He leaves behind his mother, Beverly, and siblings, Debbie Lussier (Tom), Kellie Klesel (Joe), and Timothy Doyle. He is also survived by many nieces and nephews, as well as friends too numerous to count. Besides his father, Gerry was predeceased by his loving daughter, Megan, who passed away on February 21, 2019.

After his family, Gerry loved the people of Pittsfield. During his short walk through life he touched the lives of so many. Gerry was known for his lighthearted spirit, his generosity, his loving kindness, and his heart of gold. He will be sorely missed by those who were blessed to have known him, and by everybody whom he touched through his genuine advocacy for this city. While Gerry Doyle's walk through life was short, it was a most meaningful one.

-“Don't mourn for me, I didn't miss a trick.” – Gerry Doyle

“ Too many memories to list them all. The Hermans and Doyles spent much time together, with Little League, youth and high school hockey, campaign activities, many hours together driving our boys to and from many hockey destinations, very many personal get-togethers. Carol and I, with our children, mourn on a daily basis. He will never be forgotten by us and the huge number of people that he helped. He was certainly a "can do" person, and led the city with distinction. Goodbye my friend, give Megan a hug for us when you see her in heaven. We love you and Beth and always will. The Hermans - John, Carol, Jonathan, Caroline, and the "spare gears" Andy and Eric Herman. Rest in peace.

“ To Beverly, Deb, Kellie, Tim and Beth: My deepest condolences for your loss. Jerry was always a good friend. After moving away, every time I came back and ran into Jerry, he always remembered me and made time to say hello and visit (if time allowed). As of most recent, my family and I will never forget the kindness, love and sensitivity that Jerry showed us during the passing of my parents and brother over a short period. He was most gracious and took such loving, personal care of all of us during that time. He even drove our family limo for Mike's funeral and lead us in a joyous trip down memory lane, which he was a part of as well. He kept us all together that day, and I hope he knows now, what that meant to us. I will miss Jerry very much, and I wish you all peace and love. My thoughts and prayers are with you all.

All my love,

“ Dear Beth, Bev, Tim, Debbie, Kellie, Michael and family,

*On behalf of the members of the Berkshire County Jimmy Fund Council I would like to offer all of you our most sincere condolences. We were extremely fortunate to have had Gerry as a member of our council. His support throughout our existence as a council has been incredible, especially with regards to the Paul Dowd Jimmy Fund Golf Classic. He not only played in all 36 tournaments but he secured a great deal of sponsorship support as well. Gerry's service to the city of Pittsfield was unrivaled. He was truly a man of the people. We will dearly miss his friendship and his sense of humor. Rest In Peace Gerry knowing that you did all that you possibly could for everyone who had the distinct pleasure of knowing you. 🍀🍀*

“ Beth, Michael, Bev and family,

*We are so sorry for your loss. We will always remember the welcome we received at the Club when we were new to the Berkshires and the hockey program in Pittsfield. Gerry was certainly among those that reached out to us in making us feel much more comfortable. Gerry continued to be there for us whenever we needed his assistance.*

*Cori and I will also remember, on one of our returns to the Berkshires after moving to FL, how fitting it was as we drove into Pittsfield we stopped at The Hot Dog Ranch for lunch. When we walked through the door Gerry greeted us from a stool near the entrance. We must have caught up for a half hour before sitting down for lunch. It just felt right.*

*Gerry will certainly be missed by so many.*
