“ *Sending my deepest sympathies for Gert. She was so much fun and always looked forward to her visit with our family. We played a lot of gin rummy together. A real peach and with the best sense of humor.*

“ *I will always remember Snooky's energetic and positive personality. She was always smiling and laughing. She and her brother, Bill, always had the nicest cars. The one I remember most was her Impala convertible. She generously gave it to my brother, Frank, who then passed on it on to me for its last adventure. It was a great car and Snooky was a wonderful person. May she rest in peace.*

*Sincerely,
Mary Ann Gingras (cousin)*

“*Mary and family I am so sad to see news of Gert's (Snooky's) passing. My childhood and early adult life was formed with Snook and your family. I will always cherish memories of the cottage on Thomas Island, the house on McArthur St and the wonderful times we all shared.*
