“ I thought about you today but that is nothing new. There truly isn't a day that doesn't go by where I don't think about you. I pray to you often and hope you can hear me. I miss you so much Uncle Link. I was writing in my journal today and all these memories came up of you! The Christmas and New Years parties that you and Gary used to throw at the Shops. It feels like just yesterday that you, Underhill, Tate, and many other of your closest friends and family were jamming out making the best holiday vibes a girl could ever ask for. I remember the Mudd Bogs that you hosted in Plainfield. All the amazing times that we got to share with you. It breaks my heart still to this day that you were taken from us. You were, are, and always will be my best friend Uncle Link. Please keep looking down on us and helping me to find my way through this life. I feel your presence more often then not and I have to believe that is because the indestructible bond that we shared never fades no matter how much time or distance!! Thank you for always supporting me through all the good, bad, happy, and sad moments I faced. I couldn't have made it through the obstacles I had if it wasn't for you!! You'll always be tucked in my heart and help me to be the best woman I can <3 I LOVE YOU SO MUCH AND MISS YOU MORE THEN YOU'LL EVER KNOW!!

“ My heartfelt condolences to Hal's family. May you find comfort in the arms of Jesus. And may your strength come from the Words of God, the bible. One of my most vivid memories of Link is from childhood. He and his friends made sure that his sister Daryl and I got our freshmen 'torture' by both lathering us in shaving creme and showering us in beer. You will be missed Hal.

“ *Link was a great man, I have known him since I was 5 years old. He was great friends of my parents the late Korie Wood and Lennie Powell. I remember many summers spent in Plainfield at the mud bog's. He will be sadly missed. He will also be reunited with some great friends and they will all watch over us....*
