“ *I met Harriet in the chancel choir at Pineville United Methodist Church, in Pineville, NC. To be honest, I was kind of scared of her to begin with! But once I got to know her, and she me, I started to learn a little about her and came to like and respect her. She cared about doing quality singing in the choir and didn't hesitate to say when she was displeased. I so wish I had known more of her life that I read about in her obituary. My husband Dave and I send our deepest condolences to the family.*

“ Davy, Shelia, Donna and families, sorry about Harriet’s passing. Fondly remembered as a feisty girl, I always enjoyed the many encounters we shared. You guys played a big part in our early years at Flynn’s which we will always be thankful for. Our best, Tom and Donna

“ I grew up around the corner from Sheila, Dave and Donna and we were and are all friends since childhood and spent many an afternoon hanging out at their house. Harriet was always there watching over us and being a great mom to her 3 children. As an adult I moved away from Pittsfield but always made it a point to stop and visit and chat about what was going on in life. Her door was always open. Harriet was one of the funniest, warmest caring people I’ve ever known and fiercely proud of her children and grandchildren. She will be sorely missed.

“ Harriet and Ken were such fun!
They would always make you laugh.
Many great memories on Commonwealth Ave.
The hamsters in the kitchen, the ice rink in the backyard...many more!
She and Mary did such a great job with the Girl Scout meetings. I know how hard it was for her when she lost her Ken. Sheila, David and Donna you all did a great job to help her move forward. She loved you all so much.
Harriet was such a good person and always helping at her church and just plain FUN (even when she gave me look 🤪) !
