“ Kathleen, Harriet , Eloise, Jim & Ken  
Carol Spiewak was kind enough to contact me to tell me about your mom; wow 96 & she looks the same in the picture.  
I know we have not talked for years but trust at least some of you remember me; Kathleen better.  
I certainly remember your mom (& dad) as I grew up with them and they were parents to me as much as they were to you; heck they put up with me hanging around the house and going on trips with you all the time.  
I love them both dearly and happy for you that you were able to have her with you for such a long time.  
I will pray for her  
Love  
Michael Griffiths
