“ *There is not enough time or room for me to share all my memories of Hilda. From Spring Street and yelling down the basement stairs to my mom for something she might have needed. Hilda stood in for my mom when I got married in 1981.*

*She will be greatly missed. I will always have the smile on her face when Mike and I saw her last when we surprised her a while ago with a visit in the hospital. Our thoughts and prayers go out to her children, grandchildren and great grandchildren.*
