

Mrs. J. Marjorie Haines

August 2, 1930 - May 27, 2025

Mrs. J. Marjorie Haines, of Pittsfield, passed away peacefully on Tuesday, May 27, 2025, just months shy of celebrating her 95th birthday. Born in Cohoes, NY, on August 2, 1930, daughter of the late Franklin and Muriel Bertrand Jones, she graduated from Pittsfield High School with the class of 1947.

Marjorie's top priority was always her family. Her greatest joy in life was being by their side, seeing that each of their needs were met with nothing but love and support.

Among many things, she loved to read, sew, and knit, and also enjoyed sitting down to solve a good crossword puzzle. Following her husband's retirement in 1987, Marjorie looked forward to their RV trips together, where they covered most states east of Montana.

Marjorie is survived by her beloved husband, Norman J. Haines, with whom she would have celebrated their 75th wedding anniversary on June 3, 2025, exactly one week after Marjorie's passing. She leaves behind her daughters, Linda Wood, Susan Barber (Ron), Joanne Wyand (Herb), Sharon Archambault (Jeff), Doreen Tornicelli, and Carolyn Clayton, as well as her son, William Haines (Sandy). Marjorie is also survived by her 13 grandchildren, and 9 great grandchildren, all of whom she adored.

Besides her parents, Marjorie was predeceased by her daughter, Barbara A. Haines, who passed away in April of 2019.

Funeral Notice:

Funeral services for Mrs. Marjorie J. Haines will be private. In lieu of flowers, donations in her memory can be made to the St. Joseph Food Bank in care of the Dwyer Funeral Home.

“ Not a day goes by that you are not missed. Soon all your flowers will be blooming and I will miss the excitement in your voice as you saw each one. They are all for you and some that moved from home to home for many years with you. I love you Mom 4-Always and miss you so very much. Rest now as you so deserve to. Made so many sacrifices and had too much suffering along the way while always remaining so generous and supportive. So blessed I have been. All my love Mom ✨💖✨ Joanne Marie

“ Hi Momma.....Though I think of you every day, today was extra special. While talking to you, during my morning prayers and feeling less than strong your words came to me like a song on a breeze. "Have faith in yourself and know that your are always loved and supported" you had told me.." My children are a part of my very soul and I will be with them always" you continued. "Love others and believe in yourself knowing that you, too, will always be a part of the lives you touch."

Thank you for the reminder....thank you for all that you were and continue to be.....thank you for your Angelic voice and the best Mommy hugs ever! XO Carolyn

“ My dear aunt Margie, You certainly were an example of selflessness and love. You were a wonderful aunt and showed up at all our important events. Now you are with the Lord. What a blessing! And we all will be there soon in His loving Presence. Jesus, we all love you. Thank you for Your sacrificial love that was a pattern to all of us. Thank you for auntie Margie! And her dear family. Thank you Margie for being a testimony to your family.

“ Mom I'm going to miss the talks we had, how we laughed at my faux pas . The time you rubbed mineral oil on Joanne 's arm for stiff muscles. Fireworks, parades, the perm Joanne and I gave you. I miss your hugs, your smile, I miss you. 💕💕💕💕💕

“ I will miss my beautiful Mom forever and ever. The sound of her voice, all her Momisms, the big hugs and I love you's. I'll miss her sage advice, listening to her incredible knowledge of everything, her smile and laughter and all that was her. She worked so hard all her life, raising eight children, walking to work nearly every day..rain, snow or 95 degrees for her days at Western Mass Supply and Pittsfield Pipers and would not have changed any of it. She loved to provide, and felt so much joy when she could pay for braces, carpeting or new pieces of furniture. During her high school years, she would pay for friends to join activities she couldn't participate in so she could watch them participate and that brought her joy. She donated for years to far to many charities to count because she always said "if I have what I need, why not help someone else get what they need too".
Nothing and no one will ever be able to fill the shoes she walked in. I will forever miss my Mom and my heart will forever be broken but I will also forever be so proud of my Mom, all she accomplished in her lifetime and cherish the time we shared. It was the best of times. I love you 4-Always and Ever, Joanne Marie
