

Mr. Jahim A. Solomon II

July 15, 2002 - October 26, 2023

Mr. Jahim A. Solomon II, of Pittsfield, passed away tragically just months after turning 21. Born on July 15, 2002, the son of Jahim Solomon, Sr., and Susan White Taliaferro, he attended local schools and earned his GED through Pittsfield High School.

After high school, Jahim went to work for Unistress, and later for Neenah, from where he was last employed.

Among many things, he enjoyed being outdoors, especially when fishing, paddleboarding, and water rafting. He had a passion for motorcycles, as well as dirt biking. Jahim was a huge fan of all sports, but was particularly fond of football.

Besides his parents, Jahim leaves his prized possession and one thing he was most proud of in life, daddy's little girl, A'Ziyah Cooper-Solomon, as well as her mother and Jahim's longtime girlfriend, Z'yasia Cooper. He leaves his three older siblings, Trey Alado, Tatyana Alado, and Tyra Alado, as well as his three younger siblings, Jahmeelah Solomon, Alysee Solomon, and Jahmir Solomon. Jahim is also survived by his nephew, Cicero Mark, whom he adored and of whom he was so proud, his paternal grandmother, Cecilia Thompson, as well as a host of aunts, uncles, cousins, and friends.

Jahim was predeceased by his maternal grandparents, Mark and Eileen White, as well as his paternal grandfather, Gregory Solomon.

“Hi pootie , it’s me! You know who because who else calls you pootie lol ? I won’t ever forget the day this nickname even came about lmaooo. Ugh all these memories and that has got to be my favorite one. Now it’s extra special because it went from our insider to just mine. & it makes me think of you every time. I remember having to watch ALL the Friday movies too just because I ain’t get the reference to your lil nickname right away lol. talking about some “Debo” like I was ever finna call you that 😭 u really made me sit there watch every single movie even tho I had already watched them just because I asked how Debo came about. Just aggyyy !! Or sitting up till like 5am tryna record the same ONE tik tok 100 times cus u wouldn’t give it up😭. mannn nah you showing up randomly with clips and wax bees wanting me to twist your hair! I still ain’t ever get my mf bonnet back!! Or u climbing my balcony and banging on my door at random times without any notice. You calling me at 11:58 on my birthday & staying on the phone just to make sure you were the first to say it. Again just too many damn memories...Words can’t describe the wave of emotions tbh. I’m at lost for words to say the least. I appreciate & will cherish you and all you’ve ever done for me. From the love you always showed, to the advice & encouragement, to the conversations, to the random calls to make sure I’m good & everything else. Even arguing with yo a** cus you were such an angry bird always cussing me tf out literally would eat me uppp lmao and I’d be calm asf n just stfu and let you rock it out & get it off yo check even tho I would lowkey be tight fr lmao. wouldn’t even argue back cus I knew right after you’d be apologizing anyway and diddd !! 🤔🤔 ik that was one of ya fav things about my personality & well for me .. one of my fav things was How selfless you were towards me especially when I needed you or asked for anything from you because I know selflessness & putting your pride to the side was something you honestly struggled to do & didn’t do often. It fills me with so much joy that you felt comfortable enough to show that side of you that not just everyone got to see. I got to meet the real & raw version of you jahim & that I’ll always be grateful for. You are & were many things to me but most importantly you were a great friend above anything. This

situation is so fcked up in many ways but knowing you won't be here to see your baby girl grow is honestly beyond crazy to me & breaks my heart because I know she was your pride and joy. There was never a conversation that didn't lead with her. All you wanted to do was be there for her second birthday and now you physically won't be there for any. Just so many unanswered questions jahim.. you left every one down here sick. I wish I could take the pain for every single person you have left behind. You said you'd call me in the morning and we never spoke again after that. 3:57am.. that was the last time I heard your voice or saw your face. Sucks that it had to be through a screen cus that just won't ever be enough. I am still waiting for your call jah... but a visit in my dreams will do for now I guess lol ! I feel you close so come see meee please ! I'll be waiting! And I won't be scared just come with that big smile of yours so I know all is good lol ! until we meet again pootie tang💔. May God have you in his greatest glory. I feel sick to my stomach just writing those words for you.

“ My baby boy this is so not real!! I love you I love you I love you our 3 words before I would let you leave home or get off the phone!! I will never get to hear those words come out of you mouth again! I am dying inside! This is not how it is supposed to be Jahim!!! I love you so much my heart aches my heart breaks I just want you home!! I want you home making a ruckus making a mess in my kitchen knowing that I'm gonna be his one to have to clean it. I want you home for your loud music your late night with your girlfriend in the baby and say mommy please help me. What I would give to hear your voice one more time besides a TikTok or voicemail. You are my strength when I thought I couldn't get through it along with your brother and your two sisters you're always there smiling happy go lucky and now I no longer have that. A part of me was ripped away when this tragedy had to happen and it is so unfair to me and everyone else involved. I will forever cherish your baby girl!!!

Sue, my heart breaks for you! I cannot even begin to imagine the pain you feel and hole this has left inside you. He lives on within his little girl. Hold her close when your grief gets hard. That is where he will be. ❤️
